QPL Limited Receives IATF-16949:2016 Certification

QPL Limited, a major supplier of leadframes to the Semiconductor Industry is pleased to announce that we have received **IATF-16949:2016** Certification for our factory in Chang An Town, Dongguan, China and our Headquarters facility in Hong Kong. This new Certification replaces our existing **ISO/TS-16949** Certification and is a key Certification for manufacturers who supply materials or products into the world wide automotive market. Mr. Patrick Phen (Senior VP) stated : *“This is a very important milestone for our company as it is the key Certification required to support the growing and demanding automotive market”*

About ISO/TS-16949 and IATF-16949:2016

ISO/TS-16949 is a technical specification for automotive Quality Management Systems and became the International Standard in the automotive industry. This specification harmonized the different assessment and certification systems in the global automotive Supply Chain. On October 3rd, 2016 the **IATF** published the new **IATF-16949:2016** Certification that supersedes and replaces the **ISO/TS-16949** Certification.

About the International Automotive Task Force (IATF)
